- 4.16 Further, to the extent permitted by the 1996 Act, if the Main Contractor is not Insolvent but fails to make a Relevant Payment to us in reliance upon any term of a contract which makes such payment conditional upon payment to the Main Contractor by a third party and that third party is Insolvent, then receipt from the Main Contractor by us of the Relevant Payment shall be a pre-condition of the said payment by us to you.

5 Amount

- 5.1 The amount payable to you for the Works shall be as stated in the Schedule or Subcontractor Order as the "Order Value" together with any other amounts payable in accordance with this Contract. If the Order Value is established by a schedule of rates then the Order Value shall be established by the re-measurement of the Works.

- (c) provide us with satisfactory evidence that the insurances stated above have been effected and inform us regularly when such insurances are renewed. Your failure to provide such evidence shall be deemed to be a Material Breach which shall be grounds for withholding any payment that would otherwise be payable to you.

8 Confidentiality, Assignment and Sub-Contracting

- 8.1 You shall not during the carrying out of the Works or following the termination of this Contract disclose to any third party or make use of any information of any kind whatsoever relating either to the Works or to us or to our business.
- 8.2 You shall not without our written consent assign the benefit of or arising from this Contract.
- 8.3 You shall not without our written consent sub-contract the whole or any part of the Works including the design of the Works. Notwithstanding our consent for any sub-contracting of the Works, you shall remain wholly responsible for carrying out and completing the Works.

If such suspension continues for longer than 12 months, you may request in writing that you resume the Works. Unless we give you written instructions so to resume the Works within 1 month of receipt of a request to resume, the Contract shall terminate at the expiry of that one-month period.

9.5 If the Contract is terminated under clauses 9.1 or 9.4, you shall prepare a valuation setting out your entitlements under this Contract at the date of termination within 7 days of the date of termination. The valuation will be treated as an application for payment in accordance with the provisions of clause 4.

9.6 If this Contract is terminated under clause 9.2, we shall not be obliged to make further payment to you until the later of the completion of the Works or until we have determined the additional costs that we have incurred in undertaking the Works and any loss, damages, costs, claims and expenses suffered by us and for which you are liable, whether arising as a consequence of termination or otherwise arising out of this Contract when compared with those costs that we would have incurred had this Contract not been terminated. 10.2 Neither you nor us shall be entitled to claim relief in respect of any period during which you or us could have complied with any obligation (or any part thereof) by using their best endeavours to avoid, overcome or minimise wholly or partly the effects of the said event or combination of events.

10.3 When you or us are prevented from performing any obligation under this Contract in the circumstances contemplated by clause 10.1, then you or us shall notify the other as soon as either becomes aware of the event. Both you and us shall use all reasonable endeavours to avoid, overcome or minimise wholly or partly the effect of any event referred to in clause 10.1 upon the performance of their obligations under this Contract.

10.4 In the case of any prevention under clause 10.1 the time for performance of such obligations under this Contract shall be extended by a period equivalent to the delay provided that if such delay or failure persists for more than 30 days, then either you or us shall have the right to terminate this Contract and in the event of such termination you shall be paid for all Works properly carried out
